Dr. Bliss insists upon his \$25,000 for failing to save the President's life.

The yellow jack has spit on its hands and taken a fresh grip on Pensacola.

As Kentucky went, so did Georgia. A figure five and four ciphers express it.

Patriots from Ohio, were in Cincinnati last week, exporting colored voters to the election to-day.

The Democratic party can now ear something new. Cadet Whitaker has come over to it, and wants to go to Congress.

There never was a President who knew better how to steal away from the busy haunts of men and have a good time than President Arthur.

It appears that Wolsey's forces in Egypt numbered about 24,000 not counting the mules. That is about the entire strength of the American army.

BEECHER says he don't know any difference between the Democratic and the Republican parties. Perhaps Beech never left a dressed hog hanging out over night in his life.

FRANK JAMES has surrendered to Governor Crittenden, and President Arthur has gone a fishing. Great men are always springing something new on a voracious and insatiable public.

CLEVELAND will be elected Governor of New York, as certain as the sun shone down on Austerlitz. Beecher preaches against Republican nominee in his sermons, and many other large guns have turned against the ticket.

At our Congressional election in November, Gilhooly McGinnis, Dan'l O'Rourke, Firedown O'Flarity and others of Emerald Isle who have been Republican supporters, say that they will not vote for the Rev. Mr. Ashbury, but will compliment Joe Blackburn one little whirl.

THE Ohio election comes off to-day. It is generally conceded that the Democracy will make a gain of five congressmen, and will give a close hustle for most of the State offices. The German element in the Cincinnati and Cleveland districts will vote almost solid with the Democracy.

Frank Huff sold his Moorefield residence to Joe Whaley, for \$1,720. Huff has purchased Willis Mathers' interest in the furniture store of the firm of Mathers & Templeton.

"Maximillian," the nine-years-old fat dog, the renowned pet and protege of M. S. Dr. Mathers, died yesterday and was buried with a deal of pomp. May the flowers on his grave never wilt.

## AROUND THE CIRCLE.

"Hogback" post-office in Garrard county, has been discontinued.

"Kentucky's Konsecrated Kurse" is what the Lexington Press' court reporter calls whiskey.

## KENDALL'S SPAVIN CURE

The Most Successful Remedy ever discovered as it is certain in its effects and does not blister. Also excellent for human flesh. READ PROOF BELOW FROM

COL. L. T. FOSTER.

YOUNGSTOWN, OHIO, MAY 10th 1880.

B. J. KENDALL & Co., Gents,—I had a very valuable Haubletonian colt which I prized very highly; he had a large bone spavin on one joint and a small one on the other, which made him very lame; I had him under the charge of two veterinary surgeons who failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express, I determined at once to try it, and got our druggists here to send for it; they ordered three bottles, I took them all and thought I would give it a thorough trial, and used according to directions and the fourth day the colt ceased to be lame, and the lumps had disappeared. I used but one bottle and the colts limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very Respectfully,

L. T. FOSTER.

Kendall's Spavin Cure. ON HUMAN FLESH.

Patten's Mills, N. Y., Feb. 21st, 1878.

B. J. KENDALL & Co., Gents,—The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of sixteen months standing. I had tried many things but in vain. Your spavin cure put the foot to the ground again, and for the first time since hurt, in a natural position. For a family liniment it excels anything we ever used.

Yours truly,

Rev. M. P. Bell,

Pastor of M. E. Church, Patten's Mills, N. Y.
